PROFILE

First-year student at ENSEEIHT, studying Digital Sciences.

EXPERIENCE

Grape harvest
Grape harvest near the village of Banyuls-sur-Mer during August 2026.

Military High School
2 years in a preparatory class for the Grandes Écoles at the Lycée Militaire d'Aix-en-Provence.
I learned rigor and seriousness in the tasks assigned to me.
But also team cohesion during an immersion week in a military environment.
And finally responsibility during surveillance duty shifts at the boarding school.

Physical and sporting activities
Farm work experience in community gardens (harvesting, gardening, plowing and planting).
Multi-week mountain hikes carrying loads.
Multidisciplinary sports: boxing, weightlifting, running, surfing...
